PTO date-stamped postcard from January 20, 2004, indicating that the U.S. Patent and Trademark Office did in fact receive the complete 52 page specification on January 20, 2004.

Therefore, Applicants believe the application is complete and request issuance of an Official Filing Receipt indicating the proper filing date of January 20, 2004. Further, as the specification and complete application were in fact filed properly on January 20, 2004, Applicants submit that a newly executed Declaration covering the specification is not required.
